

ABOUT RYMEC

Rao Bahadur Y. Mahabaleswarappa Engineering College (RYMEC) was established in the year 1980 under the aegis of Veerasaiva Vidyavardhaka Sangha, Bellary. It is located in sprawling campus over 62 acres of land.

The Bellary city is situated 50kms from Guntakal junction and 300 Kms from Bangalore. It is well connected with road and railways to various parts of India

RYMEC has grown to one of the reputed Engineering College in Karnataka and has contributed thousands of Engineer (MCA, MBA, M.Tech) Post graduates to the society who have carved niche for themselves in various fields in India and abroad

ABOUT DEPARTMENT

An independent department for CSE was established in the year 1987. The department provides Undergraduate (BE), Post graduate (MTech) and Research Program.

The department aims at implanting the spirit of ingenuity, innovativeness and technical competency in the students through regular guidance.

Department infrastructure includes well furnished class rooms to support focused learning, state of art labs to impart knowledge in the most Hi-Tech environment and well stocked library.

OBJECTIVES OF NCETCS

The mission of NCETCS is to provide an outlet for quality research to be published to a global audience. The Conference offers a forum to bring Researchers, Academicians and Industrialists on to a common platform. The conference aims to highlight the recent advances in Computer Science and Engineering and also to promote educational activities and exchange of Information towards the advancement of Theory and Practice of Computer Science and other related topics for the service of mankind and welfare of society.
