Points

- 1 Arising curiosity in the subject by linking to practical or real time applications
- 2 Attitude/ professionalism towards students
- 3 Availability of the staff in the campus to clarify the doubts.
- 4 Communication skills and subject knowledge
- 5 Coverage of syllabus & Regularity in conducting classes
- 6 Effective planning and organization of lecture contents
- 7 Fairness in evaluation of IA books & assignments.
- 8 Guidelines for external theory examination/ Practice & Revision of important topics
- 9 Presentation of subject matter or method of teaching
- 10 Response to slow learners/ could your teacher inspire or make you work hard for better results.

Dr.B.SREEPATHI

Points

- 1 Arising curiosity in the subject by linking to practical or real time applications
- 2 Attitude/ professionalism towards students
- 3 Availability of the staff in the campus to clarify the doubts.
- 4 Communication skills and subject knowledge
- 5 Coverage of syllabus & Regularity in conducting classes
- 6 Effective planning and organization of lecture contents
- 7 Fairness in evaluation of IA books & assignments.
- 8 Guidelines for external theory examination/ Practice & Revision of improtant topics
- 9 Presentation of subject matter or method of teaching
- 10 Response to slow learners/ could your teacher inspire or make you work hard for better results.
