7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust

Giving back to society and Environment

The Veerasaiva Vidyavardhaka Sangha is Registered Education Body started in 1916. The Sangha over the years, with a humble beginning with a Sanskrit Pathasala and a Primary Kannada School, has grown in size and strength. It now runs 2 Middle Schools, 5 High Schools, 1 Jr. College and 9 Degree Colleges of Arts, Science and Commerce, 5 Educational Institutions, Law, 2 Engineering, B. Pharmacy, D. Pharmacy Colleges, Polytechnic and Institute of Management. The achievements of the Sangha have been hailed by eminent scholars, administrators and men of eminence and standing who had occasion to visit the participate in the functioning of the Institutions of the Sangha.

The good transparency of the institution which distinctive from the other institution. Governing body takes decision in the meeting, give the power of implementation to the principal and Principal decentralize his power to all the committee. Now committee is totally responsible for the work to initiate with the management supports from all these committee.

Under the leadership of the Principal most of the faculty members engaged themselves and involved in different social related research activities with the support of Governing Body. College has a practice of good decentralization and participative management system. There are several committees, cell in function.

The College has planned to develop the teacher's quality by organizing (FDP) Faculty Development Programme from time to time and to introduce new technology in the class room teaching through LCD projectors and smart boards and allow the students a positive platform to present their views through seminars and symposiums. This is the key objectives to produce good human resources with skill and ability to serve the Nation. The Vision, Mission and

Objectives are communicated through College website, hoardings and posters and disseminated in all the important place of the college.

We believe in high standards of academic, professional, and societal performance. And college life is not all about academics, games, friends, and fun. It is also about learning to interact with other people, being aware of social, environmental and gender issues, and inequities in the society. We provide an opportunity to every student to contribute to make the society in which they live a better place and to grow as better individuals. The Rao Bahadur Y Mahabaleswarappa Engineering College, BALLARI has committed itself to the task of inculcating social values and responsibilities in its students. In line with its vision of working towards the socio-economic development of the country, the institution has taken utmost care to give back to the community. Student committees are formed to carry out the duties towards society. The induction program gives the freshmen an insight into the institute's values and vision. Along with other sports cultural and technical activities, the NSS unit plans activities like tree plantation and field visits to expose the students to the pressing issues in our society. A session on Universal Human Value (UHV) is arranged by experts. Not only that, every first-year faculty member has completed a short-term course in UHV, they also interact regularly with the students through open discussions on various topics. Several activities are undertaken for the first-year students to expose them to the pressing environmental issues that ail us. They are taken on field visits to related industries and encouraged to participate in competitions dealing with environmental issues. The poster competition event was introduced last year exclusively for the first-year engineering students to present their ideas to address the environmental issues. As a special thrust, societal development is also instilled on a large scale into the students through the active NSS unit which undertakes various services to inculcate social values. Throughout the year, the NSS unit undertakes a plethora of events ranging from street plays, cleanliness drives, tree plantation drives, donation drives, waste management drives, gender equity, field visits and many more.
