Sir/Madam,

Greetings from VTU Consortium,

We are happy to communicate with you about the subscription of e-Resources of the VTU-Consortium for the calendar year 2021-22.

Though it started its renewal process late in the last year, the consortium concluded its final negotiations with the Governing Council Meeting held on 27th June 2021. All the resources subscriptions for the year 2021-22 were finalized, and accordingly, renewal orders have been issued to all the selected publishers. All Publishers have accepted the offer of VTU Consortium. Those whose resources are renewed have continued their access without any break from April 2021 to till date. However, for the new e-resources selected from the current year, the publishers are informed about activating the access at the earliest.

Fortunately, this year we included IEEE Proceedings Order Plan (POP) as agreed to the offered price of VTU. Keeping the interest of UG students in mind and the basic requirements of colleges, the consortium has finally decided to declare the list of databases finalized for subscription to VTU Consortium for the year 2021-22 (April 2021 to March 2022). This will enable all the colleges to start accessing other databases and technology platforms effectively.

Following e-Resources are accessible to all the member colleges of VTU Consortium:

1. Elsevier- 296 e-Journals
2. IEEE Proceedings Order Plan (POP) - 530,000 papers - from 100 core IEEE conference
3. Springer Nature - 690 e-Journals
4. Taylor & Francis - 555 e-Journals
5. Emerald - 120 e-Journals
6. ProQuest - 3900 e-Journals' Database
7. Knimbus (e-Library + Remote access + Mobile App) Platform
8. NetAnalytiks (LANQUILL) Platform
9. Turnitin (Originality Check Tool)

Hence, it is requested that all the colleges co-operate with the consortium and communicate their user community accordingly.

Further to the above, the detailed list of e-Resources along with URL link and their contact information is enclosed with this email for your reference.

Thanking you,

Yours' Sincerely,

Dr. K. R. Mulla, MLISc., Ph.D.
