

**RAO BAHADUR Y.MAHABALESWARAPPA
ENGINEERING COLLEGE, BALLARI**

**ODD SEMESTER
2020-21**

Feedback Analysis Mechanism

The feedback collection process is very important for improvement of the institution. The faculty feedback is collected from the students every semester. This process contributes to evaluate the faculty performance for reward / corrective measures. The online feedback is collected from the students during regular class hours and monitored by the Dean Examination and Feedback monitoring committee.

Average Percentage of Students who participate: Students having attendance more than 75%.

The feedback analysis process:

The online feedback will be collected from students by the Dean Examination and Feedback monitoring committee. The consolidated Report generated online is forwarded to the Principal's Office for further corrective measures. The same will be sent to respective HOD's.

Grading Points

Excellent: 9.01 – 10

Good: 7.01 - 9.0

Average: 4.01 - 7.00

Below Average: 1.00 – 4.00

The teaching performance indices are analyzed by the Principal & office and the same is conveyed to the concerned.

Reward/Corrective measures

Basis of reward / corrective measures: The Indices used for measuring the quality of teaching, learning and summary of the index values are mentioned below

- 1) Creating interest in the subject.
- 2) Regularity in handling class.
- 3) Presentation of the subjects.
- 4) Audibility / Clarity of speech.
- 5) Interaction with students.
- 6) Clarifying students doubts.
- 7) Fairness in Evaluation in IA and Assignment books.
- 8) Ability to design Quizzes /Tests/Assignments/Examinations and project to evaluate Students understanding the course.
- 9) Interact and encourages students to ask question /participation.
- 10) Fulfillment of course objective and outcomes.

System of Reward:

Best performing faculty is rewarded by issuing a letter of appreciation. Performance rating of faculty through student feedback system is one of the factors in evaluating the annual performance and to release the annual increments.

Corrective Actions taken: The faculties performing below average are trained continuously through Faculty Development Programme to improve the quality of the staff.

Power Ahead

Congratulations, That was an exceptional session

Dear Dr.Hiremath Suresha Babu,

We are delighted to let you know that your previous session, **Engineering Chemistry -18CHE12 - Numerical problems, Reference electrode - calomel electrode in Batch 2020 - Semester 1** on 5th Jan at 10:10AM, has been a resounding success! Your learners have given you a rating of 4.5+, and that is a reflection of your in-depth understanding of the subject and your passionate delivery.

You have set the bar for teaching excellence high, both for other Gurus and for yourself. Our learners expect an informative and engaging learning experience each time, and we thank you for delivering it. We look forward to many more such sessions that delight and enlighten our students.

**Congratulations, That was an exceptional session**

Dear H M Manjunath,

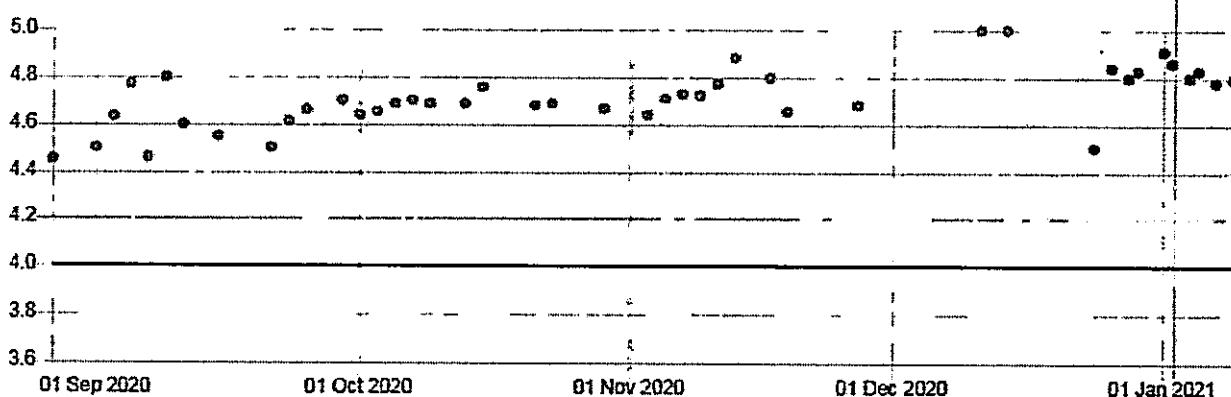

We are delighted to let you know that your previous session, **maths 3 - Module -5 Numerical soln of 2nd order O.D.E AND Calculus of Variations in Batch 2019 - Semester 3 - A&B&C SECTION** on 6th Jan at 10:30AM, has been a resounding success!. Your learners have given you a rating of 4.7+, and that is a reflection of your in-depth understanding of the subject and your passionate delivery.

You have set the bar for teaching excellence high, both for other Gurus and for yourself. Our learners expect an informative and engaging learning experience each time, and we thank you for delivering it. We look forward to many more such sessions that delight and enlighten our students.
