ADMISSIONS OPEN FOR THE ACADEMIC YEAR 2022-23

Sri Rao Bahadur Y Mahabaleswarappa born on 3rd June 1906 Yemmiganur, Ballari Taluk and District, had his education from wardlaw college, Ballari. In 1932 he got reputation as the youngest Ballari District Board President. The humbel begining of his service to the public did not stop here. Later, he became a member of railway board.

Sri Rao Bahadur Y Mahabaleswarappa has got many laudable things to his credit.

➤ At the age of 25, in 1931, he honoured Bapuji, when he visited Ballari.

➤ It was his effort which resulted in a railway bridge across Hagari River connecting Ballari and Guntakal.

➤ He was instrumental in getting 101 acres of land sanctioned from British Government to V.V. Sangha, for the purpose of opening educational institutions in the socially, economically and educationally backward Ballari region.

In the memory of Y Mahabaleswarappa, the Vijayanagar Engineering College is renamed as Rao Bahadur Y Mahabaleswarappa which is located on the 101 acres of land.

The British Government conferred the little "Rao Bahadur" on Y. Mahabaleswarappa by considering the selfless service rendered to the society. Literally, Rao means "Prince" and Bahadur means "Most Honourable".
